

## 2024 State Legislative Session Calendar

Forty-six states and Washington, D.C. will convene in 2024. New Jersey and Virginia are the only states entering the first year of their biennia; all other states will be in the second year. While each state has a predetermined start date, adjournment dates may be flexible and depend on how quickly lawmakers get through their agenda. Bolded and italicized states will carry legislation over from 2023 to the 2024 session.
