### Medical Student Rotation for Underrepresented Populations (MSR)

- Enrolled in a MD or DO program at a U.S. medical school
- Applicants must be
  - of an underrepresented population*
  - a U.S. citizen, U.S. national, or permanent resident
  - be an ASCO member or apply for membership
- Awardees will be expected to
  - complete a 4-week clinical or clinical research rotation in a private practice, hospital, or academic medical center
  - have a mentor for the rotation (applicants can apply with a preselected mentor or ask ASCO for assistance in arranging for a mentor)
  - attend the 2025 ASCO Annual Meeting
- **$5,000 stipend for the rotation plus $1,500 for travel to the 2025 ASCO Annual Meeting; $2,000 to support the mentor**

### Annual Meeting Research Award (AMRA)

- Enrolled in an ACGME-accredited residency program required for future training in a cancer-related subspecialty
- Applicants must be
  - of an underrepresented population*
  - a U.S. citizen, U.S. national, or permanent resident
  - be an ASCO member or apply for membership
- Awardees will be expected to
  - attend the 2024 ASCO Annual Meeting (in-person or virtually)
  - present their research at the Abstract Forum
- **$1,500 for travel to the 2024 ASCO Annual Meeting**

---

*Underrepresented in medicine (UIM) is defined according to the Association of American Medical Colleges definition, as “those racial and ethnic populations that are underrepresented in the medical profession relative to their numbers in the general population.” For purposes of Grants & Awards, races and ethnicities that have been identified as UIM coincide with those in ASCO Workforce Diversity Strategic Plan, which “include but are not limited to American Indian/Alaska Native, Black/African American, Hispanic/Latino, and Native Hawaiian/Other Pacific Islander.”
