ASCO Connection (connection.asco.org) is the official member publication of the American Society of Clinical Oncology and Association for Clinical Oncology. It is the primary source of information about Society and Association programs and resources. ASCO Connection promotes opportunities for interaction between the organizations and their members, and members and their colleagues.

Each print issue is offered as a digital edition included with your placement.

Topical issues are addressed, such as news and information from ASCO, interviews with and commentary from ASCO leadership and thought leaders in the field. Topical issues such as health equity, workforce diversity, global health, career guidance, health policy and advocacy, ethical issues, and more.

Frequency: Bimonthly

Distribution: Mails to domestic subscribers of print Journal of Clinical Oncology (JCO); polybagged with JCO. Mails stand-alone to remaining ASCO domestic members.

Circulation: 34,000, all domestic ASCO members including early career oncologists.

The **ASCO Meeting Experience** (meetings.asco.org) is the go-to website for prospective and registered meeting attendees for all six ASCO meetings (50k+ attendees per year). Users can search through abstracts, review the digital program, create their own agenda, watch livestream or on-demand sessions, take notes and save for later, and participate in sessions by viewing slides in real time, answering polls, and asking questions via eQ&A. Whether they are attending in person or online, this website is essential to every ASCO attendee’s meeting experience.

Estimated total number of impressions per advertiser is 150,000 for a U.S.-targeted campaign using all ad positions (160x600, 728x90, and 320x50) over a full year (from April 1, 2024 - March 31, 2025). Ad campaigns must include a mobile (320x50) ad to reach estimated number of impressions. Impressions are estimates based on historical data and may not be delivered equally each month during the campaign.

INDIGO: Vorasidenib Offers Patients With IDH-Mutant Low-Grade Glioma a Means to Delay Chemotherapy and Radiotherapy

KEY POINTS

- INDIGO is the first randomized phase 3 study of a targeted therapy in grade 2 IDH-mutant glioma.
- The study showed that vorasidenib led to a 67% reduction in the risk of tumor progression or death and significantly delayed the need for conventional therapy.
- Vorasidenib demonstrated a manageable safety profile, with treatment-related adverse events occurring at a frequency comparable with placebo.

ASCO Daily News will be producing exclusive **video interviews** with 2024 ASCO Annual Meeting Plenary Session presenters. Videos will be released on the day of the presentations. Videos will provide expert insight from the presenters of the highly popular Plenary abstracts, including how their research might affect the future of cancer care.

These exclusive interviews will be promoted as a top item in one of the 2024 ASCO Annual Meeting daily newsletters (sent to 53,000+ recipients). They will also be featured in the ASCO Daily News Annual Meeting general wrap-up issue (also sent to 53,000+ recipients) and prominently shared on ASCO's Twitter, Facebook, and LinkedIn channels. The videos will live on YouTube and also as embedded videos with transcripts on the Daily News website. Sponsor will provide a 15-30 second audio/video that will be played at the beginning of each video. **Corporate branding only.**

The **ASCO Daily News Podcast** includes coverage of the top abstracts and practice-changing science from ASCO's Annual Meeting. The Advance Coverage podcasts are released before the ASCO Annual Meeting shortly after embargo lift, providing listeners with breaking news on practice-informing data.

The Wrap-Up Coverage podcasts feature in-depth analysis with key opinion leaders on how ASCO24 science will impact practice.

The Advance Coverage and Wrap-Up Coverage podcasts will be promoted in ASCO Daily News e-newsletters as well as on ASCO's social media channels. The ASCO Daily News Podcast averages approximately 2,600 downloads per episode.

The advertiser will provide a 30-second audio file that will play prior to the episode. Advertiser will be noted as the sponsor of this podcast in the written transcript.

All contracts are sold on exclusive sponsorship model for 60 days. Contracts are invoiced in full when the campaign begins. Contracts are non-cancellable.

MISSED OR INCORRECT ADS

ASCO is not responsible for incidental or consequential damages for errors in displaying an ad or for failure to publish an ad. Should ASCO fail to publish an accepted ad for which an insertion order was received, ASCO will adjust the advertiser's or agency's account accordingly, and such adjustment shall be the advertiser's sole remedy.

MATERIAL SPECIFICATIONS

It is the advertiser's/agency's responsibility to provide ads according to the publication's specifications as provided in this document. AMC Media Group, the publisher and printer are not responsible for the reproduction of advertisements not provided to the correct specifications.

DIGITAL ADVERTISING

Digital ad units are considered sponsorship advertising. The analytics presented in this document are based on the prior year and may vary annually. There are no CPM guarantees provided due to the nature of target audience access. ASCO and AMC Media Group will not credit the advertiser based on data shortfalls from the analytics preferred.

PERSONALLY-IDENTIFIABLE INFORMATION (PII) COLLECTION

No advertising shall include any pixels, tags, Flash containers or any other type of information collection software code (i.e. any such pixel, tag, code or device commonly referred to as a "Pixel"), nor place any beacons, cookies or other information collection devices on the browsers of users. Specifically, advertiser may not use such Pixel to collect any PII with respect to any ASCO user, advertiser will not link any non-PII that it collects to any PII that it may have from any other source, and advertiser will not update any existing profile or create any profile in its database based on any data collected on any ASCO sites, including the fact that someone is an ASCO user or any information derived from the information in the referring URL.

FINANCIAL CONSIDERATIONS TERMS AND CONDITIONS

1. **All signed agreements are binding. No cancellations** accepted unless FDA directive to suspend existing campaign is provided to AMC Media Group. Revisions to **Daily News** print opportunities will not be accepted after the space closing date.
2. The advertiser and/or agency (representative), if third party is used, shall be jointly and severally liable for all monies due.
3. No agency commission or cash discounts permitted. Rate card prices are NET.
4. 50% deposit is due upon space reservation for all out-of-home and onsite advertising opportunities, without exception.
5. AMC Media Group will be diligent in providing the highest quality products and services. AMC Media Group will not provide any refunds or discounts on advertisements due to issues beyond the publisher's control.
6. All invoices are payable in USD and may be paid via check, ACH, credit card, or wire transfer.
7. AMC Media Group reserves the right to contact the agency/representative's client and association for all outstanding balances if the agency's account is delinquent.
8. AMC Media Group reserves the right to prohibit future advertising if an account is past due 90 days.
